

Bling for your Sweetheart

February 12th, 2007

With Valentine's Day sneaking up on us this week I thought the men in our lives would appreciate a hot tip (say it with me) - "A Little BLING, is just the Thing!"

[Alli's Originals](#) specializes in made to order hand stamped, personalized sterling silver jewellery. Alli uses only the finest quality materials in her pieces, including: Sterling silver, Swarovski crystals, Fresh Water Pearls and Semi-precious stones. I was sent Alli's Mini Tags necklace from her Princess Collection. You'll have the option of choosing a regular silver chain or a ball chain, both are 18" and sterling silver. The Mini Tags on my new necklace spell out the word LOVE but you have the option of customizing it to your liking with words such as HOPE, WISH and DREAM. The final touch is a little BLING, a sweet pink Swarovski crystal heart.

[Alli's Originals](#) offer so many gorgeous jewelry options. I love the hand stamped tags on so many of the precious pieces she designs. And her Infinity Earrings are next on my list of a must-have from her website. What I love about Alli's Originals is that she has a nice blend of the funky, with the feminine. Her jewelry is really quite extraordinary and would make your Valentine's heart soar, but don't forget Mother's Day, her Birthday, and even those special "just because" moments. Those are the one's that will win her heart forever. - Daria
