Wear your heart on your sleeve (or neck!)

I love wearing personalized jewelry that features my son, especially when it is stylish and contemporary. And that's exactly the kind of jewelry that you can find at [Alli's Originals](#). Alli uses Sterling silver, Swarovski crystals, Fresh Water Pearls, and Semi-precious stones...and combines these with her unique hand-stamping to feature your children, pets, husband/wife, or other family members. You can customize with names, initials, dates, symbols, and more.

I love these [Darling Discs](#). Each disc is hand-stamped with an initial or up to 7 small letters or one symbol of your choice. Perfect for a name or phrase; eg, baby, love, hope, dream, etc. or your initials. (I have J on one for my son, and M for my husband, plus an adorable blue crystal) I also love that these discs include a 16" sterling silver regular or ball chain necklace. The 16" is the perfect stylish length.

Mention "Mommies with Style" in the "description" box option when checking out and receive an automatic 10% refund when your order is placed.
