Alli's Originals

Do have that person who you never know what to get them for special occasions?

Well, I do!

I never know what to get my mother-in-law for her birthday, Christmas, or Mother's Day -- but when I found [Alli's Originals](#) I knew I had found the perfect solution!

[Alli's Originals](#) is a local company that specializes in *made to order hand stamped,*

personalized sterling silver jewelry.

Alli says that her "Princess Charming Collection is all about outwardly celebrating those special relationships ... Your children, your grandchildren, your husband, your wife, your boyfriend, your teacher, your friendships, or even your family pet."

I ordered the "[Darling Discs](#)" which is a 3 disc necklace and Alli handstamped, "Mom" on one disc, " a heart" on the second and "grandma" on the third.

Needless to say Grandma loved the personalized gift and I'm looking forward to receiving something for Christmas from this amazing artist! (hint, hint to my husband!)
